Sommaire

Tableau de nombres

Tableau de conversion des longueurs

Tableau de conversion des masses

Tableau de conversion des capacités

Cartons nombres jusqu'au centaines de milliards

Jetons et pions

Patron d'un dé

Formes géométriques : polygone et forme particulière

Cube de représentation des unités, dizaines, centaines et milliers.

Équivalence des fractions

Mémo périmètres et aire

Gabarit d'angle droit

Fleur de la nature des mots

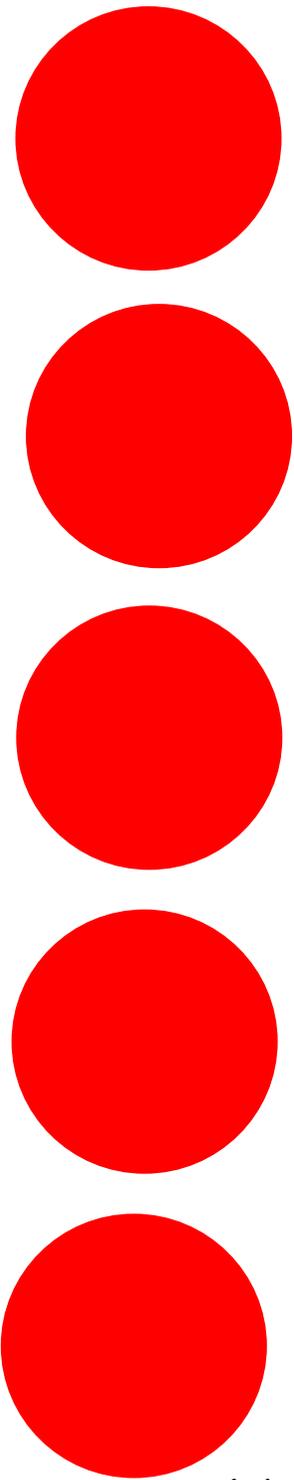

Mémos des verbes conjugués
